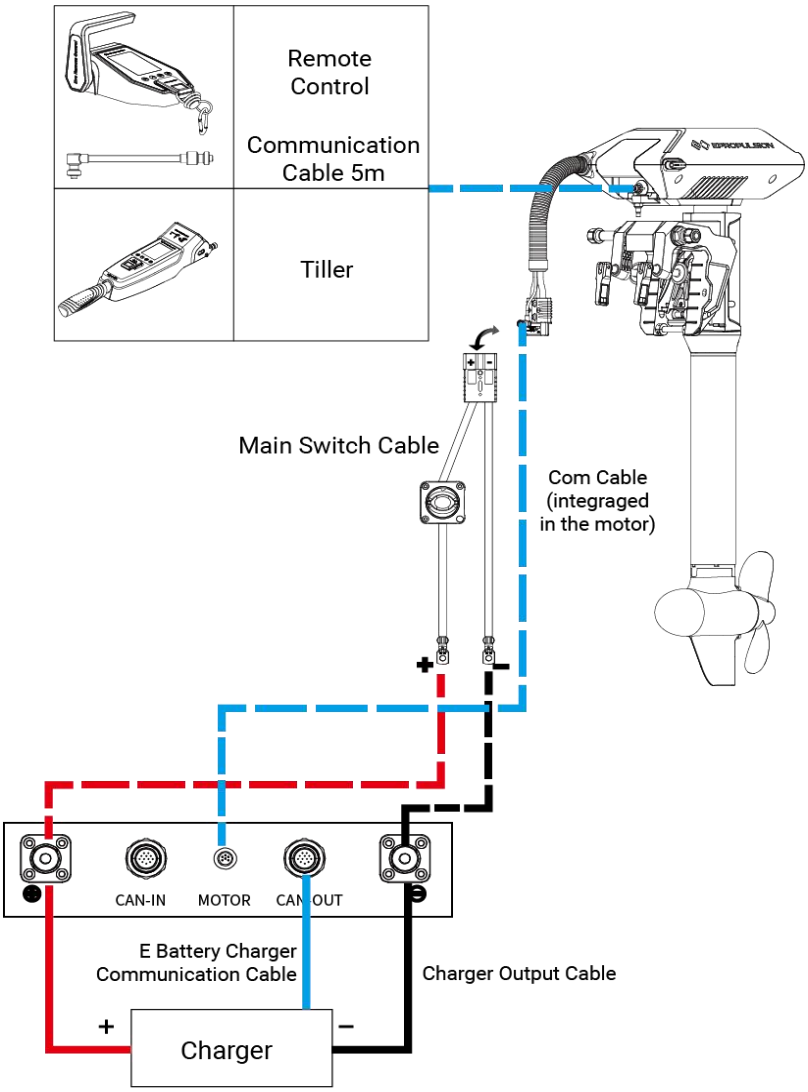
Evo Product System Set-up

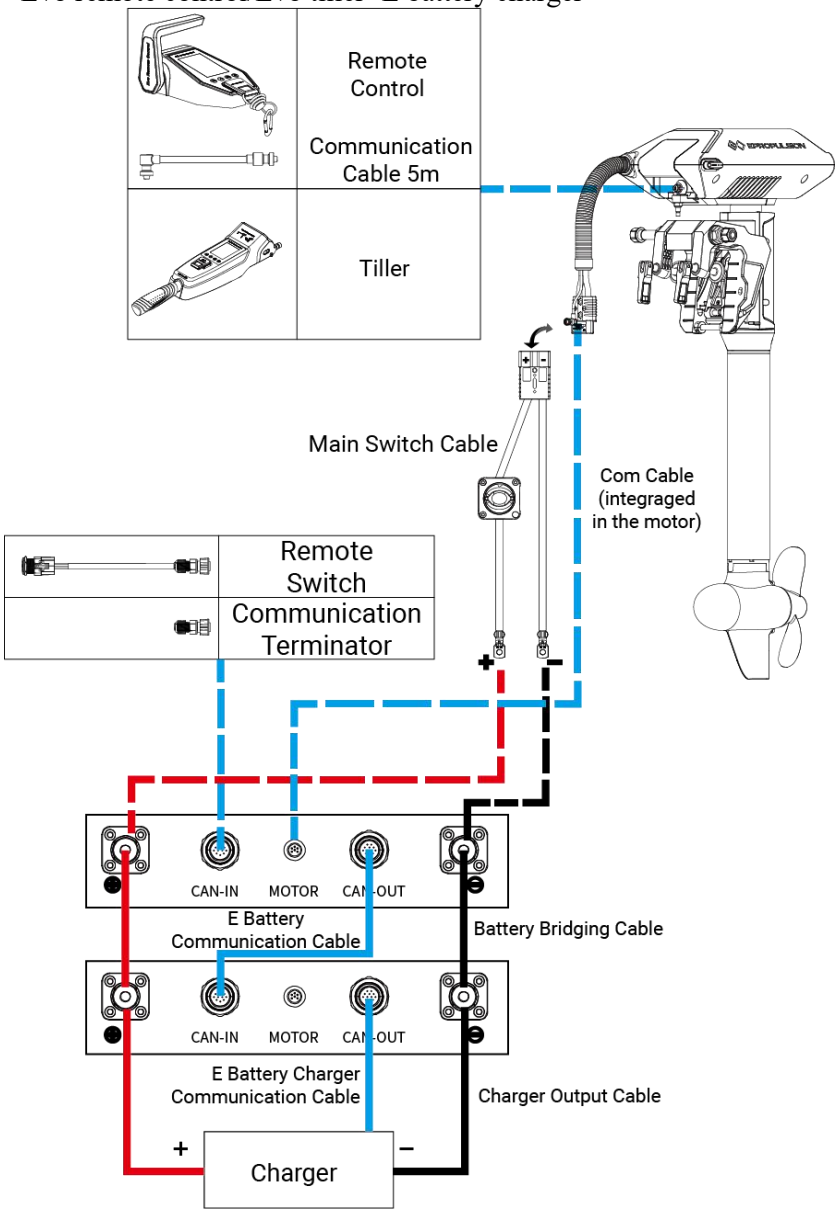
NAVY Evo series：
NAVY 3.0 Evo single motor+single battery+Evo remote control/Evo tiller+E battery charger



Standard accessories:
NAVY 3.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Evo remote control/Evo tiller (1 pcs) (Product No.: NE-RC00-00/NE-TC00-00)
E series battery (1 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (only needed when using remote control, no need for Evo tiller) (1 pcs)
(Product No.: 00-0601-01)

NAVY 3.0 Evo single motor+two batteries（Remote switch/Communication terminator）+Evo remote control/Evo tiller+E battery charger

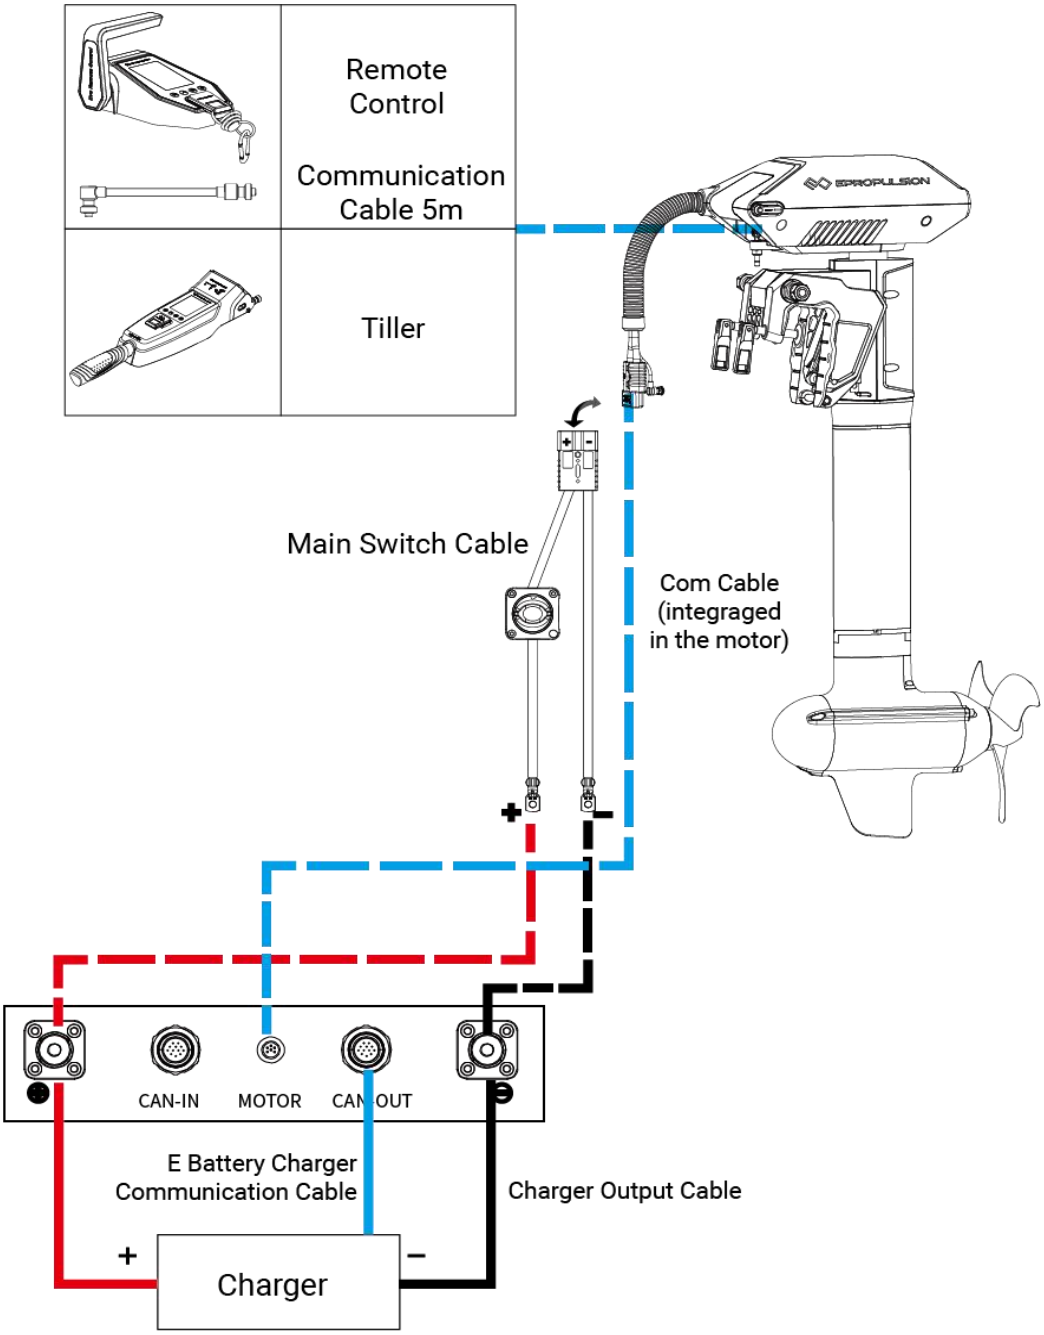


Standard accessories:
NAVY 3.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Remote switch/Communication terminator (1 pcs) (Product No.: EB-AC02-00/EB-AC01-00)

E series battery (2 pcs)
Evo remote control/Evo tiller (1 pcs) (Product No.: NE-RC00-00/NE-TC00-00)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (only needed when using remote control, no need for Evo tiller) (1 pcs) (Product No.: 00-0601-01)
Battery bridging cable (2 pcs) (Product No.: 00-0601-28 for 0.5m/00-0601-29 for 1m/00-0601-30 for 2m)
E battery communication cable (1 pcs) (Item number: 00-0601-10)

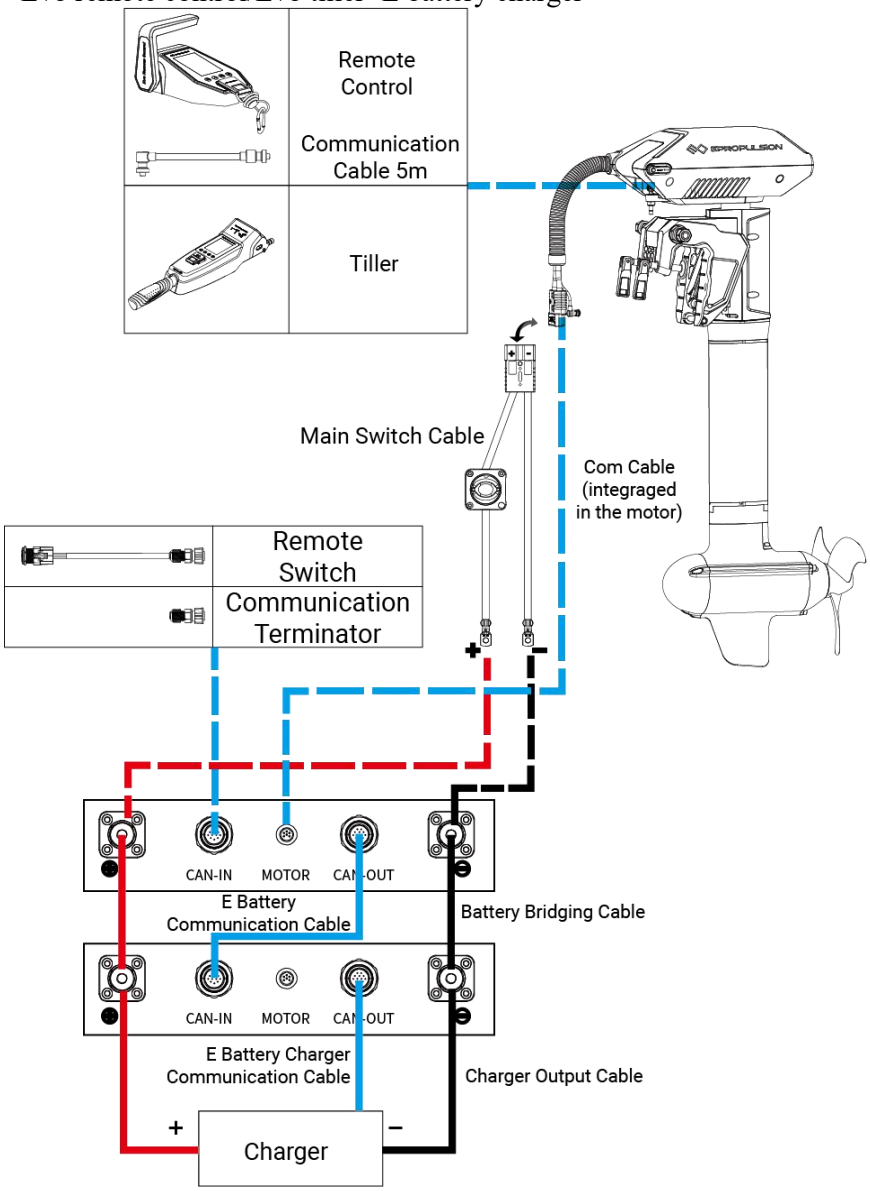
NAVY 6.0 Evo single motor+single battery+Evo remote control/Evo tiller+E battery charger



Standard accessories:
NAVY 6.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Evo remote control/Evo tiller (1 pcs) (Product No.: NE-RC00-00/NE-TC00-00)
E series battery (1 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (only needed when using remote control, no need for Evo tiller) (1 pcs)
(Product No.: 00-0601-01)

NAVY 6.0 Evo single motor+two batteries（Remote switch/Communication terminator）+Evo remote control/Evo tiller+E battery charger

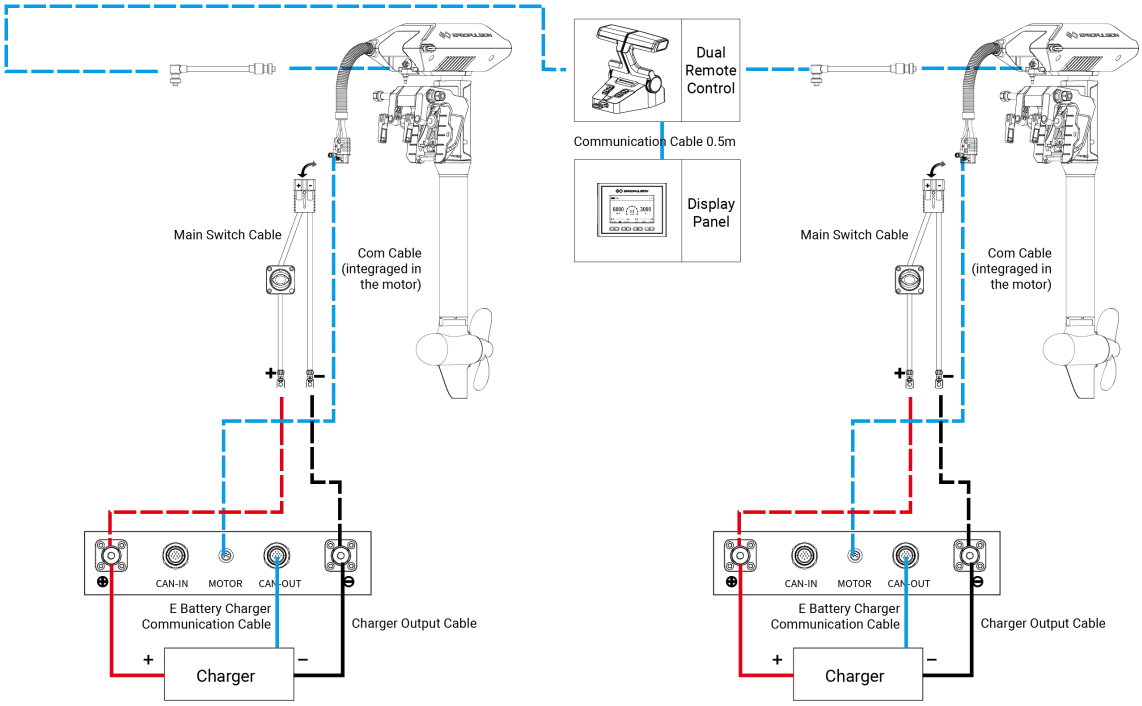


Standard accessories:
NAVY 6.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Remote switch/Communication terminator (1 pcs) (Product No.: EB-AC02-00/EB-AC01-00)

E series battery (2 pcs)
Evo remote control/Evo tiller (1 pcs) (Product No.: NE-RC00-00/NE-TC00-00)
E series battery (2 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (only needed when using remote control, no need for Evo tiller) (1 pcs) (Product No.: 00-0601-01)
Battery bridging cable (2 pcs) (Product No.: 00-0601-28 for 0.5m/00-0601-29 for 1m/00-0601-30 for 2m)
E battery communication cable (1 pcs) (Item number: 00-0601-10)

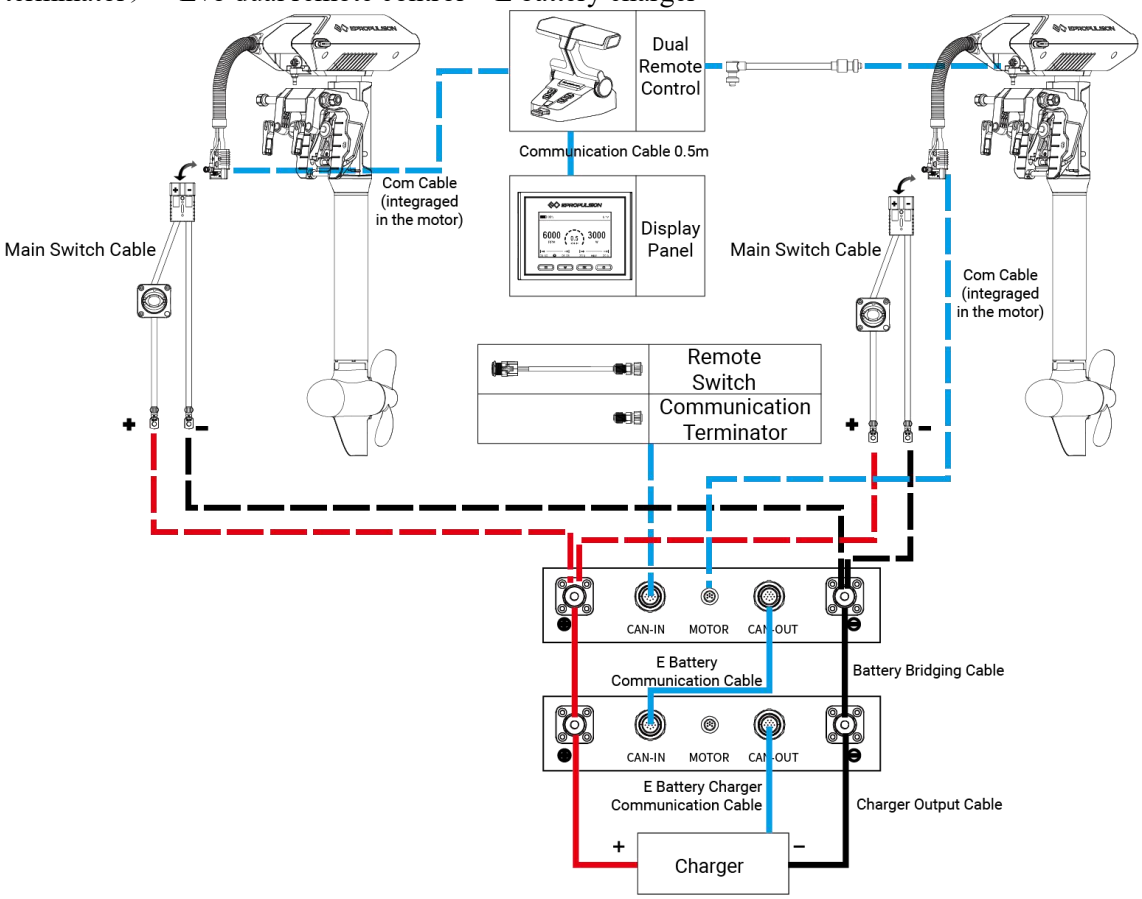
NAVY 3.0 Evo two motor+battery for each one+ Evo dual remote control +E battery charger



Standard accessories:
NAVY 3.0 Evo motor (2 pcs)
Main switch cable (2 pcs)

Purchase separately:
Evo dual remote control (including Communication cable 0.5m and Display panel) (1 pcs) (Item Number: NE-DR00-00)
E series battery (2 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (2 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (2 pcs) (Product No.: 00-0601-01)

NAVY 3.0 Evo two motor +two batteries in parallel（Remote switch/Communication terminator）+ Evo dual remote control + E battery charger

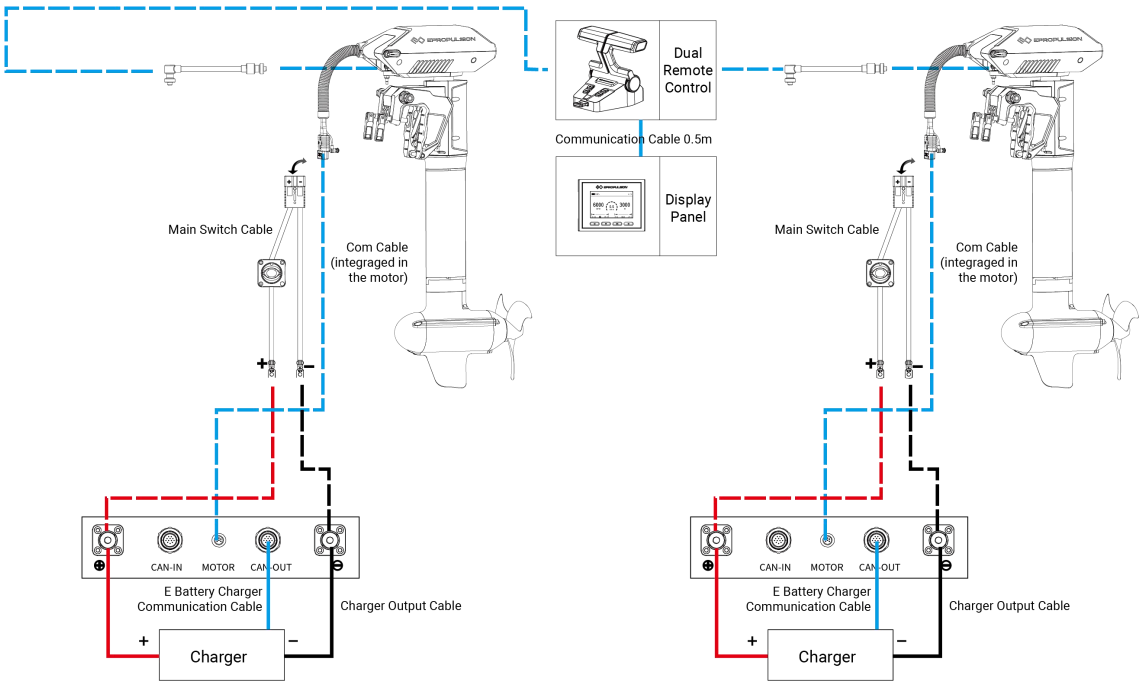


Standard accessories:
NAVY 3.0 Evo motor (2 pcs)
Main switch cable (2 pcs)

Purchase separately:
Remote switch/Communication terminator (1 pcs) (Product No.: EB-AC02-00/EB-AC01-00)

Evo dual remote control (including Communication cable 0.5m and Display panel) (1 pcs) (Item Number: NE-DR00-00)
E series battery (2 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (1 pcs) (Product No.: 00-0601-01)
Battery bridging cable (2 pcs) (Product No.: 00-0601-28 for 0.5m/00-0601-29 for 1m/00-0601-30 for 2m)
E battery communication cable (1 pcs) (Item number: 00-0601-10)

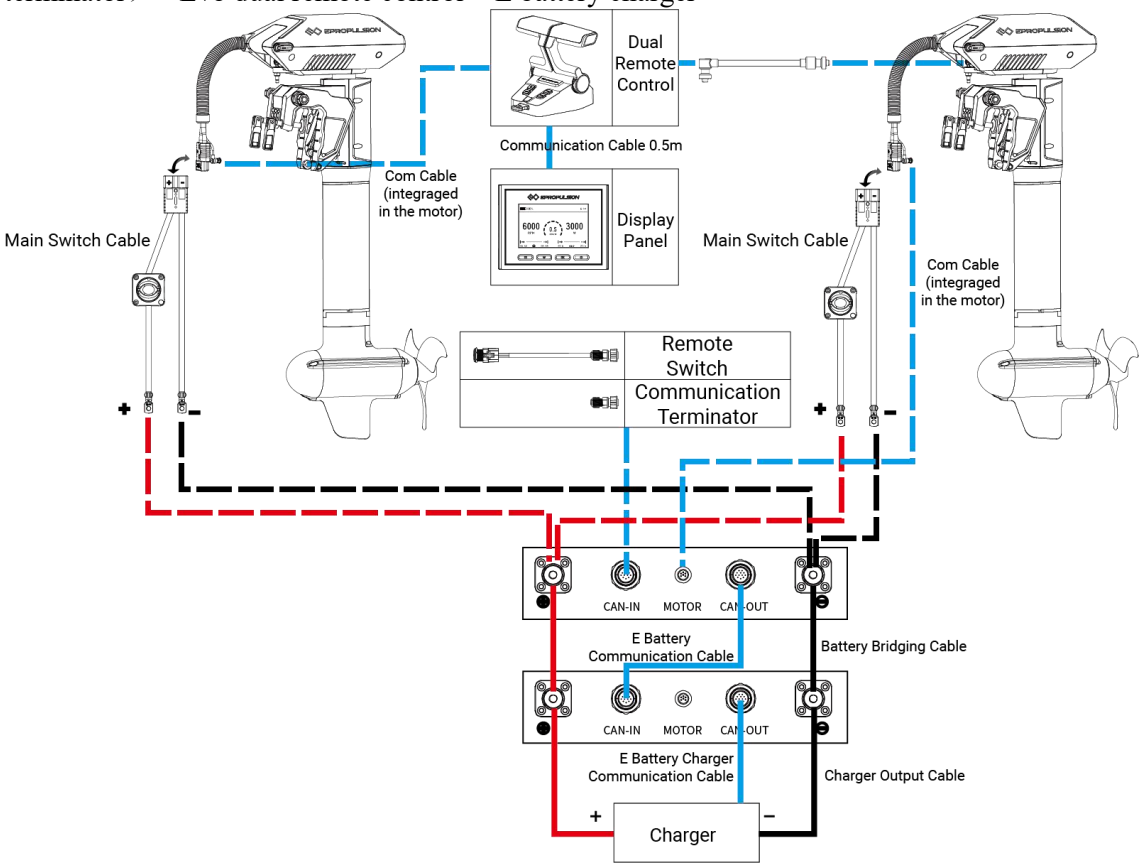
NAVY 6.0 Evo two motor+battery for each one+ Evo dual remote control +E battery charger



Standard accessories:
NAVY 6.0 Evo motor (2 pcs)
Main switch cable (2 pcs)

Purchase separately:
Evo dual remote control (including Communication cable 0.5m and Display panel) (1 pcs) (Item Number: NE-DR00-00)
E series battery (2 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (2 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (2 pcs) (Product No.: 00-0601-01)

NAVY 6.0 Evo two motor +two batteries in parallel（Remote switch/Communication terminator）+ Evo dual remote control + E battery charger



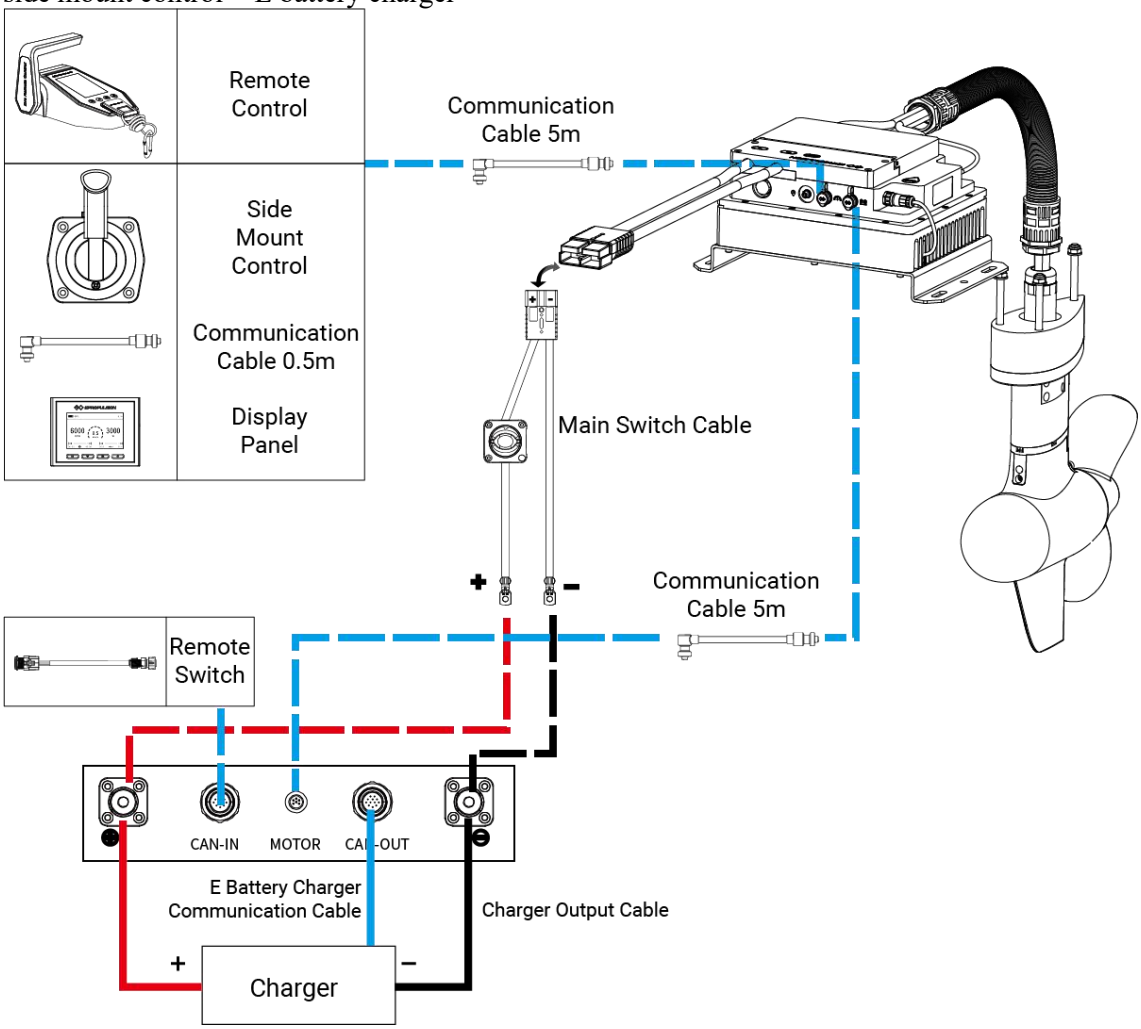
Standard accessories:
NAVY 6.0 Evo motor (2 pcs)
Main switch cable (2 pcs)

Purchase separately:
Remote switch/Communication terminator (1 pcs) (Product No.: EB-AC02-00/EB-AC01-00)

Evo dual remote control (including Communication cable 0.5m and Display panel) (1 pcs) (Item Number: NE-DR00-00)
E series battery (2 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (1 pcs) (Product No.: 00-0601-01)
Battery bridging cable (2 pcs) (Product No.: 00-0601-28 for 0.5m/00-0601-29 for 1m/00-0601-30 for 2m)
E battery communication cable (1 pcs) (Item number: 00-0601-10)

POD Evo series

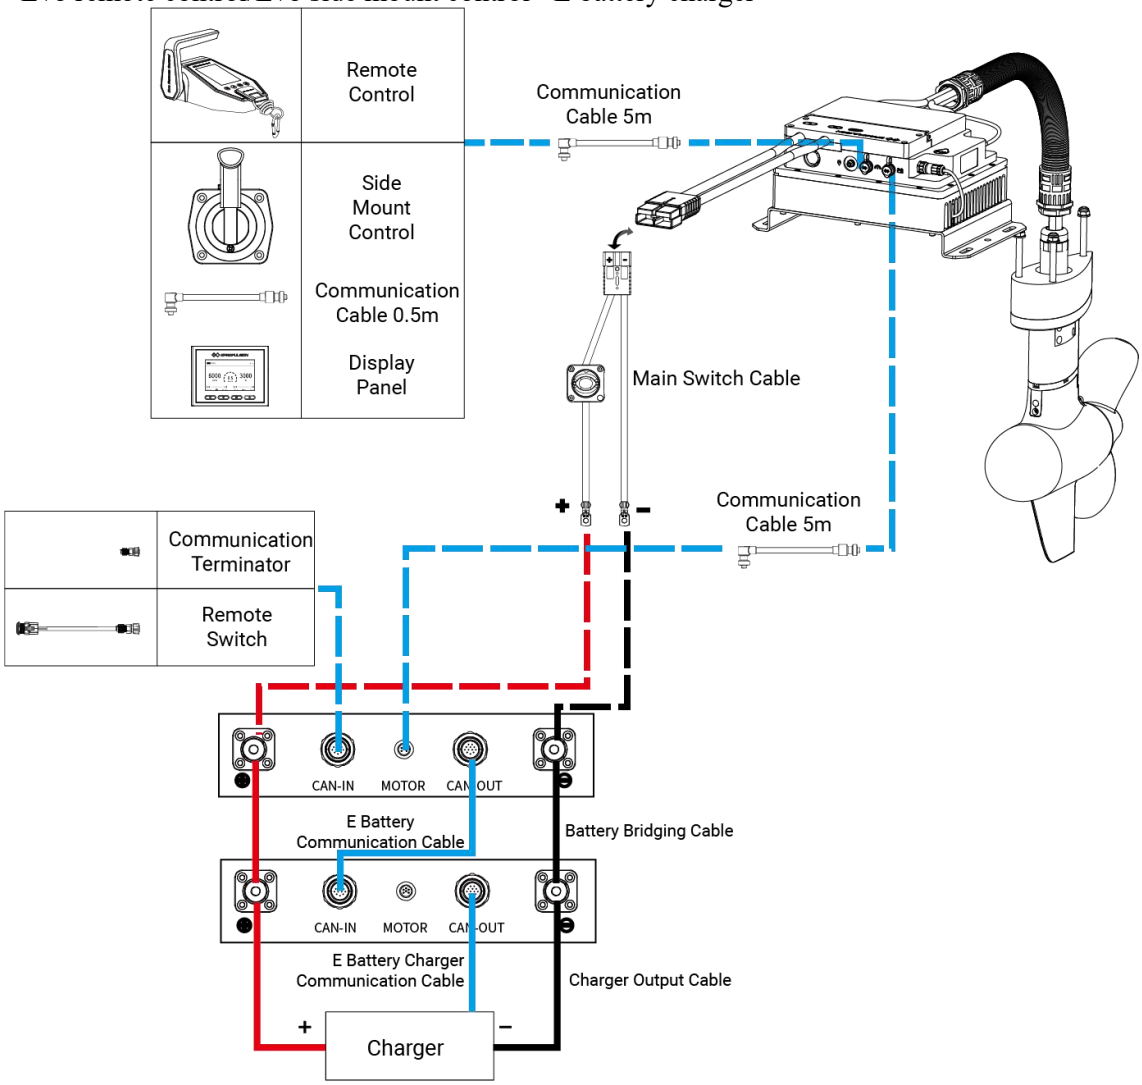
Pod drive 3.0 Evo single motor + single battery（Remote switch）+ Evo remote control/Evo side mount control + E battery charger



Standard accessories:
Pod drive 3.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Evo remote control/Evo side mount control (including Communication cable 0.5m and Display panel) (1 pcs) (Product No.: NE-RC00-00/NE-SM00-00)
E series battery (1 pcs)
E battery charger (including Charger output cable and E battery charger communication cable) (1 pcs) (Product No.: EC-0020-11 (110V) / EC-0030-20 (220V))
Communication cable 5m (1 pcs) (Product No.: 00-0601-01)
Remote switch (1 pcs) (Product No.: EB-AC02-00)

Pod drive 3.0 Evo single motor+two batteries（Communication terminator/Remote switch）+Evo remote control/Evo side mount control +E battery charger



Standard accessories:
Pod drive 3.0 Evo motor (1 pcs)
Main switch cable (1 pcs)

Purchase separately:
Communication terminator/Remote switch (1 pcs) (Product No.: EB-AC01-00/EB-AC02-00)

Evo remote control/Evo side mount control (including Communication cable 0.5m and Display panel) (1 pcs) (Product No.: NE-RC00-00/NE-SM00-00)
